## **1. Substance / preparation/ product and company name**

### ***Product:***

Nonwoven wallcovering base media impregnated with Polyvinylacetate and Polyvinylalcohol or Styrene-Acrylic Binder laminated with 100 % polyester needle punch

Material Security Data Sheet applicable for the following multiplex grades: 300 gr/M2 to 700 gr/M2

Brands QuickWalls, RenovLisse, SupportANeuf, Rollo'Plâtre

### ***Company:***

RL décor SARL

## **2. Composition / information on ingredients**

<b>Substance/ Preparation/ Product</b>	<b>Product</b>
<b>Chemical nature:</b>	Lamination of two non-wovens : <ul style="list-style-type: none"><li>- front side : Wet-Laid Nonwoven chemically bound</li><li>- rear side needle punch polyester</li></ul>
<b>Nature of fibers :</b>	Cellulose and Polyester on front side (140/150gr/M2) Polyester at rear side (140/500 gr/M2)
<b>Web surface treatment (concentration above 1%) :</b>	No
<b>Binder::</b>	Chemical binders
<b>Additives :</b>	Fillers
<b>Other major components :</b>	No
<b>Chemicals (in relevant concentration) that are in the list of dangerous substances :</b>	No
<b>CAS-Nr.:</b>	not applicable

Revision 2-01

Page 2/5

EINECS-Nr.: not applicable

EG-Nr.: not applicable

### **3. Possible Hazards**

Particular risks for human and environment: none

### **4. First aid measures**

**General advice:** none

**If inhaled:** not applicable

**On skin contact:** none

**On contact with eyes:** none

**On ingestion:** not applicable

**Recommendations for the medical doctor:** contains PVA and PVAc or Styrene Acrylic Polymer

### **5. Fire fighting measures**

**Suitable extinguishing media :** All standard means: water - powder - foam - CO2

**Extinguishing-media not to be used :** None

**Special exposure hazard:** For flammable and toxic fumes see § 10.

**Special protective clothing for fire-fighter:** A self-contained breathing apparatus and suitable protective equipment should be worn to fight fire.

### **6. Measures at unintentional emission:**

not applicable

### **7. Handling and storage**

**Handling:**

**Advise for safe handling:** avoid dust evolution

**Advises for fire and explosion protection:** keep away from open fire

**Storage:**

**Requirements for storage rooms:** store in cool and dry places

## **8. Exposure controls and personal protection**

**Additional information on the lay-out of technical plant:** none

**Components with workplace control parameters:** none

**Additional information:** none

**Personal protective equipment:** none

## **9. Physical and chemical properties**

### **1. Appearance:**

**Form:** Solid  
**Colour:** white (bleached cellulose)  
**Odour:** Odourless

### **2. Safety data:**

**Boiling point:** not applicable  
**Melting point:** Polyester: 250/260°  
**Decomposition temperature:** Above 300°  
**Flash point:** not applicable  
**Flammability:** Not easily flammable (See §10)

<b>Ignition temperature:</b>	not applicable
<b>Explosion limits:</b>	not applicable
<b>Vapour pressure:</b>	not applicable
<b>Density:</b>	not applicable
<b>Solubility:</b>	not applicable
<b>Viscosity:</b>	not applicable

**3. Further information:**

none

**10. Stability and reactivity**

<b>Conditions to avoid:</b>	temperatures > 90°C; open fire
<b>Substances to be avoided:</b>	None
<b>Dangerous disintegration products:</b>	None
<b>Further information:</b>	None

**11. Toxicological information**

<b>Acute toxicity:</b>	not toxically
<b>Specific symptoms during animal tests:</b>	no data available
<b>Irritation/etching effects:</b>	no data available
<b>Effect after repeated exposure or long-term exposure:</b>	none known
<b>Carcinogenic, hereditary or harmful effects on reproduction:</b>	none known
<b>Further information:</b>	None

**12. Ecological information**

	<b>Material Safety Data Sheet</b> MSDS	Date : 09/2016
		Revision 2-01
		Page 5/5

**Elimination information:** no data available

**Behaviour and environmental:** not applicable

**Ecotoxic effects:** no data available

**Further ecological information:** None

### **13. Disposal considerations**

**Recommendation:** Dispose of according to local regulations, Can be incinerated.

**EWC Code No.:** **03 03** wastes from pulp, paper and cardboard production and processing

**20 01 01** paper and cardboard

### **14. Transport information**

No hazardous goods in the sense of the transport regulations

### **15. Regulation**

**Labelling according to EEC Directives:**

not required

**National legislation / regulations**

According to hazardous goods regulations: not subject to labelling

### **16. Other information**

The MSDS is a means of transferring essential hazard information (including information on transport, handling, storage and emergency actions) from the supplier of a nonwoven product to the recipient of the product. As nonwovens are generally not hazardous, MSDS for nonwovens is not legally requested but must be considered as information. It is inspired from the EC recommendation for MSDS.

The information contained in this Material Safety Data Sheet has been developed by RL décor on the express request of its customers and to the best of its knowledge. The above information is based on our present knowledge and experience and describes our products with regards to their safety requirements. Therefore, RL décor does not assume any liability with respect to the correctness and/or completeness of the information provided by this Material Safety Data Sheet. It does not constitute a property assurance or a quality description. The customer in particular shall not be released from his duty to check all safety relevant properties of the delivered nonwovens and to refer to the official texts for full information on the local obligations. Applicable law and regulations have to be observed by the consignee / user under own responsibility.
